

**“How do I impress my customers
with perfect foam application?”**

With FoamTastic,
the end-to-end foam experience

FoamTastic – perfect foam application, more sales opportunities

With FoamTastic, you combine a perfect application of foam on the vehicles with a real show experience for your customers. An effective, colourfully illuminat-

ed foam catches customers' attention, increases the attractiveness of your station and in doing so generates in additional sales.

How it works:

FoamTastic covers vehicles all over in a blanket of foam, even in draughts. The FoamTastic unit is mounted on the lowerable, contour-tracking FlexStream roof dryer. The chemicals are applied as foam threads close up to the vehicle – with high precision and extremely effectively. An additional LED lighting system delivers a sensational, colourful wash experience for your customers. Even after prolonged breaks, FoamTastic generates perfect foam very quickly.

The FoamTastic unit is easy to retrofit and enables you to achieve higher average wash prices.

The show effect is enhanced by the LED lighting.

The lighting can be set individually via the operating menu in numerous colours and different lighting patterns such as continuous light, flashing, stroboscope, colour transition.

Your advantages:

- **Spectacular washing experience:** The foam is applied all over the vehicle during automatic washing in gantry car washes.
- **Additional show effect:** Colourful backlighting using LED lights with numerous colour settings.
- **Rapid activation:** FoamTastic generates perfect foam within a few seconds, even after prolonged breaks.
- **Competitive advantage:** FoamTastic delivers perfect foaming action and boosts the attractiveness of your station.
- **Greater sales opportunities:** FoamTastic justifies higher average wash prices.
- **Retrofit option available:** Separately available unit for gantry car washes.
- **Perfect foam even in draughts:** Consistent foam application with open wash bay door or outdoor installation.
